

Donations Pick-Up Assistant

About Us

Twin Cities Habitat for Humanity ReStore is a home improvement outlet that provides new and used building materials at a discounted price. Twin Cities Habitat for Humanity accepts donations at our ReStore to help us raise money to build homes with low-income families. The ReStore relies heavily on volunteer labor to help us in these efforts.

Service Description

Ride with ReStore Donation Ambassador to help pick up donations for the ReStore, especially larger donations of cabinets, windows, furniture, appliances, etc. No need for truck driving experience or qualifications, ride along only.

Skills and Qualifications

- Lifting 30 lb.-50 lb. regularly and up to 80 lb. occasionally.
- Bend, lift, squat, push and pull materials in and out of truck.
- Ability to operate or learn to operate pallet jack.

Time Commitment

One day a week ongoing, Monday-Friday 8 AM-4 PM. Please give 3 week notice schedule change.

Age Requirement

Must be at least 18 years of age.

Training and Supervision

Attend orientation with ReStore Staff, and supervised by Donation Ambassador.
